

# **Silent Springs**

A few questions/considerations

- Who was Rachel Carson and what was her background (studies, career, etc.)?
- How was DDT used in the United States, after World War II?
- What revealed that there was a problem with the use of DDT?
- What did Rachel Carson advocate for in Silent Spring?
- What was the reaction to Silent Spring?
- What was the long-term impact of Silent Spring?

# TO DO!

1. For next lecture: material covered in Chapter 7
2. Podcasts to watch for the week of October 2: Climate Change – Units 1 to 4
3. Tutorials **next week** (week of October 2): bring the “Group Discussion Answer Sheet”, and the “Annotated Bibliography Outline Review Grid”
