

To participate in iClicker this term, please visit <https://app.reef-education.com/#/login> to make sure your iClicker Profile is up to date.

Note - you DO NOT need to pay for a subscription to iClicker if you have an iClicker remote. You just need to complete your Profile and “join” your lecture section.

1. Make sure you have attached your clicker data to your name by adding in your **MacID** (not your student number) to your profile
2. **Link your remote to your account** (also found under **Profile>Register Remote**). If you plan
3. to use the mobile app all term, you do not need to worry about registering a remote.

The screenshot shows the 'Profile' page of the iClicker app. The page has a blue header with the word 'Profile' in white. Below the header, there are several input fields with labels and a right-pointing chevron icon. The fields are: 'Institution' with the value 'McMaster University', 'First Name' with the value 'Laura', 'Last Name' with the value 'Parker', 'Email' with the value 'lparker@mcmaster.ca', and 'MacID (not student #)' with the value 'lparker'. The 'MacID' field is highlighted with a red rectangle. Below these fields are two more options: 'Change Password' and 'Register Remotes', both with right-pointing chevron icons. The 'Register Remotes' option is also highlighted with a red rectangle. Two red arrows point from a red text box on the right to the 'MacID' and 'Register Remotes' fields. At the bottom right, a blue circular icon with a white horizontal line is partially visible.

Profile

Institution
McMaster University

First Name
Laura

Last Name
Parker

Email
lparker@mcmaster.ca

MacID (not student #)
lparker

Change Password

Register Remotes

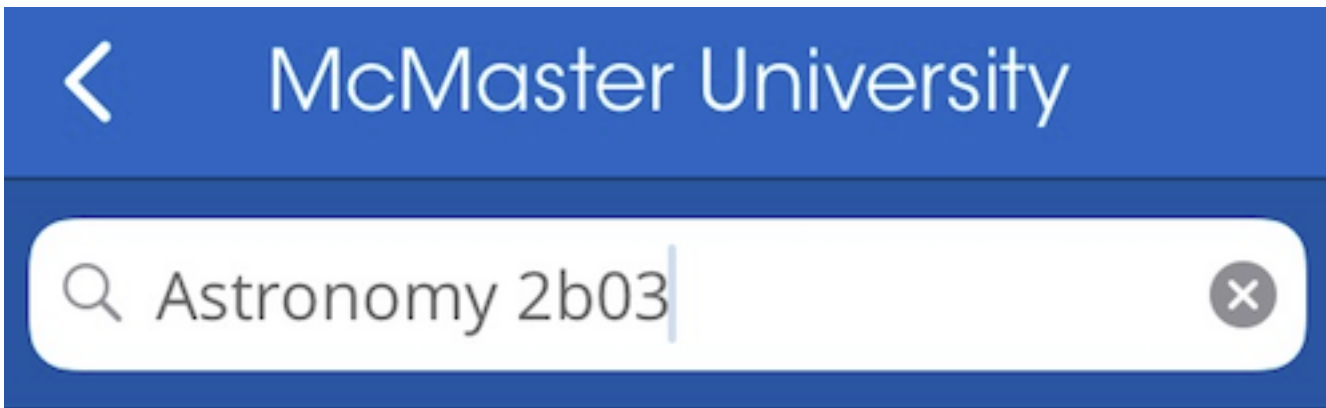

**Make sure these
are filled out
correctly!!!**

3. Join your course: - make sure you select the correct one

Astronomy 2B03
Laura Parker
McMaster University

**Click the “+” to add a new course
then follow the search prompts.**

Astronomy 2B03

Laura Parker

Mon 3:30 PM, Tue 4:30 PM, Thu 3:30 PM

2B03, Fall 2018

Any other issues should be brought to the attention of your professor Dr. Laura Parker via email at lparker@mcmaster.ca
